From Pastor Jane, Our Missional Priest in Charge

Summer is often a time when we step away from our every day life either by taking a day off of work, flying to far away places, or even just taking a stroll on a warm summer evening. For some of us, even when we are away, it can be hard for our minds to truly rest. Others of us might find it hard to take a day off because it always seems like work will never be finished. Still others of us find that we are just as busy and maybe even busier during vacation and days off as we are when we are at work.

Our scripture shows us again and again that it is necessary for us to take time away to truly rest. In the story of creation, we find God forming the earth, busy at work, then when all is set in motion, God takes a day to rest. Of course we know that all was not done with creation. We are still forming and shaping the world even today, but God had done his work and then took time to rest and reflect on what he had done.

Jesus shows us that even when there are critical needs, it is important to step away. Luke tells us that as crowds of people press in on Jesus, Jesus “often withdrew to lonely places and prayed.” And Jesus shows us that when we step away it is so important that we use that time to truly rest. In the Gospel of Matthew we hear that Jesus dismisses a crowd and sends his disciples off ahead of him in a boat while “he went up on a mountainside by himself to pray. When evening came, he was there alone.”

Remember this warm summer season to take time away even when it seems like you do not have the time. Take time away even when you know the work is not yet done. Of course the bags need to be packed and unpacked and even sometimes you might need to do a little something for work, but when you do take time away, allow yourself to disconnect from work and deeply enjoy the life and goodness that God has given you.

Much peace,
Pastor Jane

Look for the launch of our new website mid-July!

The designer is in the final stages of tweaks and tests.

Our website address will be:

www.christchurchtrumbull.org

Look for an email announcement soon!

From Todd Rossel, Our Senior Warden

The beat goes on...moving into summer Sundays of wonderful services and fellowship, along with keeping pace with the ongoing and expanding needs of this community and our historic church.

The Vestry meetings since our last newsletter have covered so many topics and recommendations; it makes me think that our "small church with the big heart" isn't that small, after all...

Some key items to pass along:

- The new website content has been largely completed and the developer is doing an excellent job putting the pieces together. We've communicated an anticipated launch date on or around July 1. This will be an exciting "face to the community" that will allow us to launch further efforts to help people "discover" CCT.
- New email addresses for Maryanne and Pastor Jane are in place. This seems like a small and simple thing, but now that "Trumbull" is in the email and the website handle, it helps raise more awareness of exactly where we are.
- Our new tenants are in the Rectory and we're so glad to have them!
- The HVAC work in the uppercroft, which is a necessity to even consider planning for future completion efforts, is wrapping up.
- Matt Mitola is doing an excellent job as our "Summer Sexton" and we are in process of following up on some leads for a new Sexton in August, when Matt heads off to college
- We are making progress on the possibility of adding a [very] part-time bookkeeper role to our staff to further professionalize our financial operations; the objective is to make the Treasurer position far less burdensome and to also smooth the transition and learning curve when future Treasurers cycle into the Vestry.
- We are still actively researching the addition of a sound system for the church. While committed to doing this, we are working on insuring that whatever system we purchase strikes the right balance for those who need audio enhancement...and those who don't.

We were saddened in May to learn of the passing of Jean Wallace, a long-time benefactor of the church who recently gave us an extremely generous gift that we officially turned into the Jean Ives McLean Wallace Parish Fund, an endowment that will help sustain church operations for future generations. We will appropriately honor the establishment of this endowment in the near future and are hopeful that Mrs. Wallace's two daughters, Anne Juge and Mary Strizek, will join us for the dedication.

I am pleased to pass along news related to our proposal for new funds for 2019 from the Marjorie Scott Foundation, for which we have been so grateful for continuing support over the past several years. The administrator has just notified me that we will receive another grant this year! We have multiple projects planned and expect to make significant progress on the Uppercroft.

New challenges have also arisen: an additional (and expensive) elevator test newly required by the State of Connecticut to keep us up to code, and a structural issue above the choir loft that will require repairs to both the ceiling above the organ as well as the organ itself. We will find a way to continue making our "joyful noise."

It is so easy to spend all our time on current needs, but we also committed as a Vestry to have a special meeting in the summer that will set those items aside and focus entirely on our mission and how we spread that mission throughout our community in the future. After the last eighteen months or so - times which have truly challenged us, but also enlightened us - it feels like a true milestone to reach this point: that it is now time to begin looking forward.

Thank you for all you do to support CCT and God Bless,
Todd

CCT Celebrates the Feast of Pentecost

On Sunday June 9th under glorious blue sunny skies, the church celebrated Pentecost outdoors at both our 8 o'clock and 10 o'clock services. The 8 o'clock service was held on our (somewhat) recently constructed rear deck with chairs and tables set up to celebrate the Eucharist and the delicious brunch treats brought by the "8 o'clockers". *Photos and article respectfully submitted, by Mark Baird*

CCT Celebrates the Feast of Pentecost

For the 10 o'clock service, tables and chairs were set up on our beautiful back lawn surrounded by the gardens we have worked so hard to create over the past several years. It is wonderful to see our grounds used for such fellowship purposes and hopefully we can do this more often! Eucharist was celebrated under beautiful sunny skies in front of our outdoor cross (and the golfers playing by on the fourth green on Tashua Golf Course!) by Rev. Jane ably assisted by Sally Lundy as Lay Eucharistic Minister and Matt Johnson on the organ. Jaye and Jody Irwin graciously spearheaded the grilling of delicious hot dogs and hamburgers for our potluck feast and a good time was had by all. Thanks to everyone for setting up, bringing food and cleaning up to make this event such a success! *Photos and article respectfully submitted, by Mark Baird*

ECW Mother's Day Plant and Bake Sale

On Saturday May 11, 2019 the ECW held it's annual plant and bake sale. God shined down upon us and provided a terrific sunny day to sell the beautiful flowers and delicious baked treats from our congregation. Much thanks to Martha Kaechele for organizing and leading this annual fundraising effort (once again!), to Benedict's for providing the plants (please shop there for all your gardening needs and more) and to all the other volunteers who gave of their time, talent and treasure! *Photos and article respectfully submitted by Mark Baird*

CCT Celebrates High School Graduates

At our service on Sunday June 16, 2019, we celebrated our recent high school graduates - Will Holmes (Fairchild Wheeler Interdistrict Multi-Magnet High School), Matthew Mitola (Masuk High School) and Eliane Baijal (Trumbull High School). Next year they will be attending respectively the University of Colorado Boulder, Stetson University and Belmont University. Congratulations to the graduates and their parents on all of their accomplishments and the joy they have brought to all of us through the years, with best wishes on their future endeavors.

Church School at CCT!

From Rachel Brenha, one of our awesome Church School teachers: "This past Sunday we taught a lesson on the Father, Son & Holy Spirit and the 3 most important things we should remember is Faith, Love and Hope and Love being the most important of all. In honor of this we planted 3 different color inpatients in the garden."

Our kids and teachers are ...

AMAZING!!

Church School at CCT!

From Rachel Brenha ... "A few weeks ago (Fifth Sunday of Easter) we talked about the Body of Christ and as part of our activity, we made spicy men and women cookies." Looks like fun and the kids really enjoyed it!!

ECCT Southwest Region Missionary

The Episcopal Church in Connecticut employs 6 Region Missionaries, one each for the 6 geographic Regions. Christ Church is part of the Southwest Region and our new missionary is Erendira Jimenez. Here’s Erendira’s introductory letter:

Hello Southwest Region, I am very excited to be joining you as your new Region Missionary! I’m a recent graduate from Yale Divinity School making my way to the northeast from San Diego, CA by way of Louisville, KY (my sponsoring diocese and the place I first made the Episcopal Church my home). Now that school is over I hope to find time to reconnect with some of my loves—rock climbing, weaving, and hosting people (hopefully some of you!) for homemade meals. I come to this position with a great love and passion for those who find themselves on the margins, both of the world and of the church, and working to create equitable, just, and loving communities. My professional work has included social work, college chaplaincy, and congregational development. All of my work has been grounded in listening to people’s lives and stories, because I believe it is here that we learn how to become more expansive and whole individuals and communities. I also believe in imagination, creativity, failing (sometimes succeeding!), and then trying a new thing. I join you bringing a heart to listen—to ourselves, to our neighbors, and to the Spirit—and to discern together where God might be calling us to move from death into life, from darkness into light, and from indifference into love. (ECCT's Digital Storyteller Alli Huggins - now Alli Gannett - is on her honeymoon and the Rev. Adam Thomas and Sharon Pearson, who went on [ECCT's Pilgrimage in the Holy Land](#), took over blog posts during this time.)

A group of more than thirty Episcopalians from Connecticut (as well as a few family members from other states) were on pilgrimage in Israel-Palestine during the middle of June. With their pilgrimage over, here are a few more stories and impressions from the trip.

A Lamb Himself

Sitting on a stone in the desert watching the sunrise was amazing! The vastness of open land was spectacular. Sitting in silence, the sounds and sights of nature prevailed. Birds above, the donkey grazing on the hillside crossing right in front of me and the sheep voices in the distance. Late that same day we saw two young boys, one with a lamb around his neck. As I asked to take a picture, one of them put the lamb around my shoulders. Many times the vision of Jesus as a lamb himself (the Lamb of God) and as the Good Shepherd. Jesus asks his disciples to be the keepers of his sheep. It reminds me that we too as followers of Christ are invited to be shepherds to others. (Joanne Halstead). Please support our Altar Guild!

One way to support our Altar Guild and the beautiful flower arrangements that they create every Sunday is to sign up for Altar Flowers in memory of or in honor of loved ones ... or whatever you'd like!

There is a sign up sheet on the front table in the Undercroft. Feel free to sign up for a few dates.

Also, Martha Kaechele and Shirley Mayo would really appreciate having some more people help with altar preparation each week. If you have any interest in this, please talk with Martha or Shirley. Thank you!

If you would like to provide refreshments for one of our Coffee Hours on Sunday morning, please do!

There is a sign up sheet on the front table in the Undercroft.

Thinking about becoming an Altar Server?

We always welcome new members!

There are many ways to serve! You can be a Lay Eucharistic Minister and assist Rev. Jane on the altar and read the Epistle, be a Prayer Leader and read the Prayers of the People on Sunday, be a Lector and read the First Reading, be a Greeter and greet everyone on Sunday mornings and bring up the gifts before Communion, or be a teacher at our Church School and get to know our kids!

If numbers are more your thing, you can become a Counter and assist a fellow parishioner with recording the Sunday collection.

If you are interested in any of these, please talk with Pastor Jane or Maryanne in the Parish Office.

Thanks for your consideration!

Local Food Pantries Still Need Our Help!

*****The Trumbull Food Pantry and the Deanery's food pantries are both low on food — on a consistent basis*****

Christ Church Tashua Vestry Meeting Policy

Parishioners are welcome to attend Vestry meetings if they have a particular concern, idea or proposal that should be brought to the attention of the Vestry. A written request should be made to one of the Vestry officers or the Rector a week in advance for inclusion on the meeting agenda, along with any documentation to be reviewed in advance of the meeting. Approximately the first 15 minutes of the next Vestry meeting will then be set aside to address the parishioner's concerns, ideas or proposals.
