From Pastor Jane

We began Lent this year at Christ Church in such a loving way. Our first Ash Wednesday service began with children sitting at the foot of the cross wiggling and listening to the story of creation. The children and I talked together about how God made stars collide and how many steps it took to bring each of us into being. We thought about how much God must love each of us to bring us into creation. Then we thought about how God loves us even when we make bad choices. Jessy Griswold led the kids in singing the words, “your love never fails, it gives up, it never runs out on me.” Then I helped tiny little thumbs gather and impose ashes on their parents, grandparents, and each other’s foreheads saying, “Remember God made you from stardust and he loves you no matter what.”

It is a message that all of us need to hear over and over again. God loves us no matter what. Paul reminds us in his letter to the Romans that Jesus died for us while we were still sinners. He sees all the good and all the bad choices and still loves us so much. This Lent many of us are using the Society of Saint John the Evangelist Journal “Meeting Jesus in John.” This journal takes us through the gospel of John and the letters of John. It too focuses on the love God has for each and every one of us. I commend the journal to you even if you only pick it up once. The journal is also available online along with videos from the SSJE brothers for each day of lent. The first day of the journal quotes 1 John 4:16 “God is love, and those who abide in love abide in God, and God abides in them.”

As many of you know we have been taking time pray about and refine our mission, vision, taglines, and values. Much of this is identity work. As we have engaged in exercises during our open forums, leadership retreat, and annual meeting, the question that drives the creation of a mission statement or even a tagline is “Who are we Christ Church?” In these various times of gathering I have been so delighted to see the creativity and message that has come out of each of these meetings. During each session, the message that has really come out is one of God’s love. Over the summer at our open forum, Pat Foster suggested the *tagline* “**Welcome Home.**” At the leadership retreat, we articulated *values* such as: **love of God, centering in God, nurturing, welcoming, belonging, close knit, friendship.** And then at our annual meeting, we created a beautiful list of potential *mission statements* and the one that received the most votes was: **We open our hearts to Christ and our arms to all.**

The vestry will continue to edit and craft these statements and we will have a chance to vote on them as a community, but isn’t it remarkable what we have to offer one another and our greater Trumbull community. We here at Christ Church have the life-sustaining, awe-inspiring, miracle working love of God to offer.

So if you haven’t come in a while, know that we are here to welcome you with open arms and if there is anything you are struggling with, I can confidently say that we are here now to walk along side you in the struggle. And if you haven’t talked about God’s love and how he is working through this place in a while, I encourage you to go out and spread the love of God beyond our four walls.

Much peace,

Pastor Jane

A note about our Music Program

Contemporary Music—March 22, 29, April 5, April 12

The Episcopal Diocese has called all churches to try something radically new. This Lent and Easter, we will be engaging in new music with the help of Jessy Griswold. With a generous donation and support from the vestry, Jessy has and will be leading us on Ash Wednesday, March 22, 29, April 5, and April 12. At each service she will lead us in three contemporary worship songs. After these five services, we will ask folks to complete a survey to help us better understand what music touches and inspires faith in our community. Trying new things can be scary and bring up many feelings. I encourage you to let go and listen and experience all the music throughout Lent and on Easter morning and let us know your thoughts. Thank you all for being willing to take risks and try new things. It is a sign of health and growth in our community.

If you are interested in the types of music that will be offered, you can look up on the following songs on YouTube or Spotify:

From Todd Rossel, Our Senior Warden

Thankfully, this is one newsletter column in which I feel there is a little less to report on; that generally means there are no broken pipes, failed ceilings or faulty septics (knock wood). The state of Christ Church is strong and we are poised for a year of significant change, achievement and growth in 2020.

We were pleased by our informative and collaborative Annual Meeting on Super Bowl Sunday. Highlights were reports by Jaye of our impending work on the long-awaited Uppercroft, discussions on vision and mission statements led by Jane that started to capture our renewed spirit as a parish and a beacon for the community, and a welcome review of our [almost] balanced budget for 2020. One loose end, as our new Vestry was approved, was the open position of Clerk. While we had enough members filling the Vestry, we did not have a candidate for the Clerk role. At our February Vestry meeting, we talked over whether someone would take on the role, or if there were members willing to “job share,” or if we were just all going to have to take monthly turns taking minutes at our meetings. I am pleased to inform the congregation that one of our new Vestry members, John Goepfrich, has graciously stepped up and agreed to serve as Clerk for this year. John listened to the position description, said he would do it, pulled out his laptop and got to work right away. We were all pleased by his willingness to volunteer and we may now move forward with a full leadership team and a talented and dedicated Vestry.

For now, I am focused on supporting Jaye to get started with the Uppercroft construction and get feedback and make decisions on the initial interior work. As I write this, we just finished the Shrove Tuesday dinner and several of us walked through the space to see some of the initial framing and electrical work. Naturally, it was exciting to jump ahead and talk about next steps and where certain things were going to go and how other things were to be finished. Expect future newsletters to include pictures demonstrating our progress.

We also are looking at an intriguing possibility of allowing an after-school art education for children program to utilize some of our space for a few classes during the week. This is a potentially ideal fit, and a great way to introduce CCT to more young families (and a small revenue generator, as well). If spring classes go well, the proprietor is interested in running a summer camp here as well.

Finally, it was wonderful on January 26th to honor last year’s generous gift from Jean Ives McLean Wallace and her family with a special service, blessing and installing a new plaque which recognizes the creation of our new endowment fund named for Mrs. Wallace. The plaque now greets people as they enter the church via the narthex, mounted directly under the cross. Mary Strizek, daughter of Jean Wallace, attended the service and a picture of Mary posing alongside the plaque is below, along with a few other photos of the day.

Just looking back at these random events of recent weeks, I am reminded just how blessed we are.

Meditation Series at Christ Church Trumbull

It's not all quiet meditation at our Meditation Series. We also enjoy the company of our friends too! Join us, if you can, on the 1st and 3rd Monday of each month when fellow parishioner Peter Ulisse leads us in meditation. You may find that it is just what you've been looking for.

Poetry Reading at CCT!

Fellow parishioner Peter Ulisse has recently published what he says will be his "last" poetry book complete with some of his paintings and has agreed to do a reading/social event on **Sunday, June 7th**. Peter has published over a hundred poems nationally, several books, and is the former President of the Connecticut Poetry Society. This particular collection contains poems on the Teachings of Nature, children, time/eternity, pain/redemption, and fractured/healing - several themes we have talked about in our church in many different ways. He says he always tries to keep his readings "entertaining" and fun, sort of a collaborative event. We will hold it at Christ Church on either the deck, outside, or in the Uppercroft. If anyone is interested in checking the book out beforehand, you can go to Amazon and start to type in his name or the title of the book, "Apple Tree in November"- there are even some reviews!

Here's the write up on Amazon and photos of the book:

Apple Tree in November is the latest book by Peter Ulisse, former English Professor, President of the Connecticut Poetry Society, and publisher of over a hundred poems in national journals. Poems in this collection center around such topics as teachings of nature, children, space/time, and pain/redemption while utilizing various innovative techniques. For instance, certain poems are paralleled with color photos of some of his paintings to show the relationship between literature and Art, and there is an essay on the nature of poetry itself. Always conscious of his audience, the author has also included a section titled "Poet's Comments" where he reveals his personal insights on every poem in the work. The book itself is dedicated to "families everywhere" and an introductory poem describes families as fingers in a hand, each individual and unique, yet allowing "spaces" in between to celebrate both individuality and a common bond—"many fingers, one hand."

Christ Church Trumbull Vestry Meeting Policy

Parishioners are welcome to attend Vestry meetings if they have a particular concern, idea or proposal that should be brought to the attention of the Vestry. A written request should be made to one of the Vestry officers or the Rector a week in advance for inclusion on the meeting agenda, along with any documentation to be reviewed in advance of the meeting. Approximately the first 15 minutes of the next Vestry meeting will then be set aside to address the parishioner's concerns, ideas or proposals. Otherwise, in the interest of covering all of the items on the agenda in a timely way, Vestry meetings are generally closed to parishioners.
